

- **Privacy Policy**

This explains that Dev-report.org (hereby referred to as “we”) take all the measures we can to ensure your personal and corporate identifiable information is kept secure, and we do not pass on this information to others for any reason.

We use your personally identifiable information to provide the services we offer.

We use industry standard efforts, such as firewalls, to safeguard the confidentiality of your personally identifiable information. However, despite the fact that your user name and profile are not displayed to translators and industry standard security tools are employed, all security measures are subject to possible circumvention. We cannot and do not provide any guarantees regarding the effectiveness of the security we employ or our ability to prevent third parties, acting unlawfully, from obtaining information that you provide to us.

We may archive information, including personally identifiable information you provide in the course of using our services and any other aspects of the website. We store that information on servers that are controlled by us or by third parties who have agreed to comply with our commitments made under this Privacy Policy and with whom we have a contractual relationship.

We will not share your personally identifiable information with third parties, with the exception of the following:

- a. We may provide your personally identifiable information to Service Providers or other third parties who have contractually agreed to maintain its confidentiality, for the purposes of providing and improving our services.
- b. We may be required to disclose customer information pursuant to lawful requests, such as subpoenas or court orders, or in compliance with applicable laws. Additionally, we may share account or other information when it believes it is necessary to comply with law or to protect our interests or property. This may include sharing information with other companies, lawyers, agents or government agencies.
- c. If the ownership of all or substantially all of our business or assets were to change, your user information would likely be transferred to the new owner(s).
- e. We reserve the right to send you certain communications relating to our services, such as service announcements and administrative messages without offering you the opportunity to opt out of receiving them.

- **Services and Payments**

This section gives an overview of our services, and what happens when we receive payment.

The process starts when the Service Buyer submits a document to be proofread. Once this action has taken place the Service Buyers accepts the Terms and Conditions of dev-report.org. Upon submission, we will start working on the proofreading service and will send back the proofread document once payment has been received in full amount, as agreed.

This section explains that we can’t make guarantees about delivery dates or when a particular document will be completed.

We may deliver by installments in such quantities as it may reasonably decide; such installments shall be separate obligations and no breach in respect of one or more of them shall entitle Service Buyers to cancel any other installments or repudiate this Agreement as a whole.

- **Responsibility and Liability**

This section explains our responsibility to you in delivering a proofread document.

The services shall be carried out using reasonable skill and care in accordance with the standards of the industry. We shall use all reasonable skill and care in selecting personnel used to perform the services. We do not warrant or make any representation regarding the use of the services in terms of their accuracy, correctness, reliability or otherwise. We shall incur no liability to you for innocent or negligent misrepresentation by virtue of any statement made by or on behalf of We, whether orally or in writing, and you shall not be entitled to rescind the Agreement on the grounds of any such misrepresentation. You acknowledge that any original works submitted by you and any services submitted by us to you over the Internet cannot be guaranteed to be free from the risk of interception, even if transmitted in encrypted form, and that We has no liability for the loss, corruption or interception of any original works or services. Our liability to you in respect of the provision of the services and/or the Services shall be limited as follows: We shall not be liable for loss of profits, business, contracts, revenue, damage to your reputation or goodwill, anticipated savings, and or any other indirect or consequential loss or damage whatsoever. Our entire liability to you under any Contract, including but not limited to in respect of the Services and the Services, shall not exceed the price payable to us by you under the agreement to which any claim relates. You must notify us within 72 hours of delivery of the Services of any claim arising out of the provision of the services and/or the Services, together with full details of such claim. In any event, We shall not be liable to you if you fail to notify us of any claim within such 72-hour period following delivery of the Services. If you notify us within 72 hours of delivery of the Services of any alleged inaccuracies in the Services, Our liability will be limited to rectifying any such alleged inaccuracies, such inaccuracies to be determined by us in its sole discretion. At no time will such allegations delay payment by you or result in a refund to you by us.
